- 1 Redesigned SAT effective March, 2016. The first SAT scores were available on May 09, 2016.
 - 2 Starting in Fall 2020 (20211), ENC0017C will be the only developmental education course for English AND reading placement. The course only needs to be successfully completed once.
 - 3 Higher Level Math testing using ACCUPLACER began January 2018. College Level Math (CLM) used through January 2020. Advanced Algebra Functions and Trigonometry Bypass Exam used starting 1/18/2020. For eligible placement scores to take the HLM test, please visit <https://www.broward.edu/admissions/testing/common-placement-testing-table.html#tabs-exne-place> and open the Higher Level Math Test Eligibility Tab.
 - 4 Denotes the minimum placement score needed to be eligible to take the Higher Level Math Test.
 - 5 Not eligible for placement into higher level math courses without an eligible PERT Math, ACCUPLACER QAS, ACT Mathematics, or SAT Math Test score or a passing grade in MAC1105/1105C. Only used for placement into MAC2311
 - 6 For non-exempt students, placement scores on a common placement or alternative method test are required; however, a specific score is not needed for placement into these courses. **Does not include Dual Enrollment or College Academy!**
 - 7 TASC test was sunsetted on December 31, 2021.
 - 8 According to Florida State Rules 6A-10.0315 and 6A-14.064, these cut-off score levels are used for Dual Enrollment placement and admission decisions. **College academy utilizes their own cut-scores for program eligibility.**
 - 9 Students using high school equivalency test scores must have their official transcript on file prior to the second semester of enrollment. High school equivalency scores placing into ENC0017C are based on the minimum passing score on each assessment to earn a high school equivalency diploma.
 - 10 Refers to grade earned in the AICE, AP, or IB course and not to the credit-by-exam process which uses the end of course exam.
 - 11 High school equivalency tests must be delivered in English. Tests administered in Spanish will not be accepted.
 - 12 ALEKS PPL must be proctored for scores to be accepted.
 - 13 Eligible exempt students do not require placement. The table shows placement level and course.
 - 14 College Academy does not allow the use of alternative methods of placement for program eligibility.
 - 15 Digital SAT and PSAT 10/NMSQT was adopted into state rule in May 2023. It is being implemented incrementally. Pilot administrations began as early as November 2021. International administrations began as early as Spring 2023. Domestic Digital PSAT 10/NMSQT administrations begin as early as Fall 2023. Domestic Digital SAT administrations began as early as Spring 2024.
 - 16 Digital SAT and PSAT 10/NMSQT Reading and Writing Section Score will be used for both reading and writing placement at BC. The same score will be entered twice in CID.
 - 17 Classic Learning Test (CLT) will adopted into state rule in August 2023. BC will be able to begin accepting CLT scores in August 2023.
 - 18 CLT score for the Verbal Reading and Grammar/Writing Sections will be added together. This score will be used for placement into reading and writing at BC. The same score will be entered twice in CID.
 - 19 Students scoring a 63 or higher on the CLEP College Algebra exam are eligible for placement directly into MAC1147. Talk with your academic advisor for more information. This was made effective by the math deans on 1/9/2024. Please note: This **does not** qualify students to earn college credit for MAC1147.
 - 20 MGF1106 and MGF1107 will be sunsetted after the Summer 2024 semester and replaced by MGF1130 and MGF1131 based on a change in curriculum at the state level.
 - 21 MGF1130 and MGF1131 will be offered starting in the Fall 2024 semester and are replacing MGF1106 and MGF1107 based on a change in curriculum at the state level.
- General Placement Note:** SAT SAA (state-allowed accommodation) or PSAT 8/9 are NOT eligible for placement. - ACT NCR (Non-College Reportable) is NOT eligible for placement.
